NEXTDOOR HOMEPAGE

NextDoor is a digital platform destined to motivate and support neighbours and community workers in reducing isolation of elderly people.

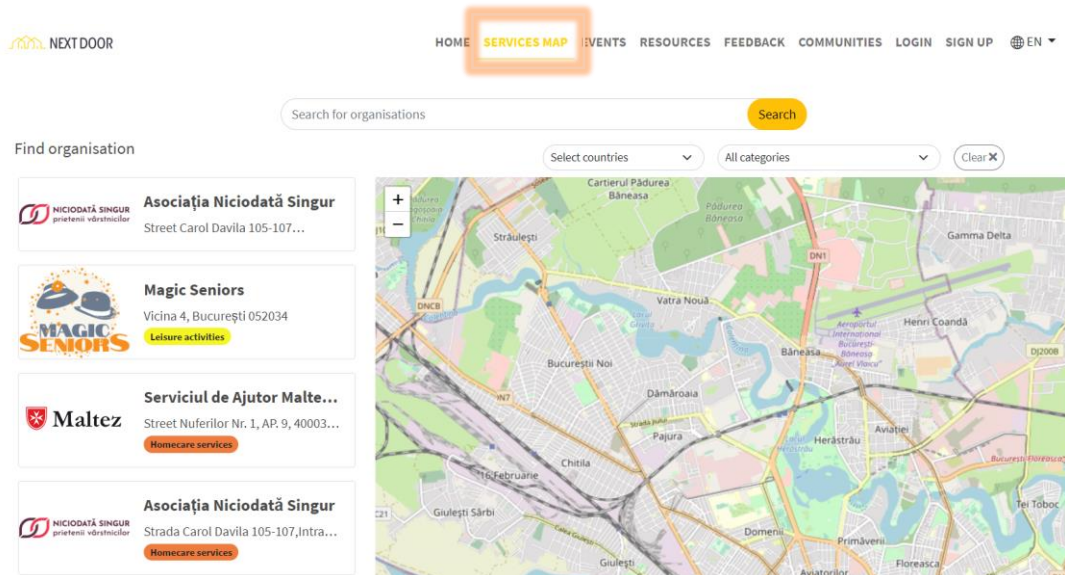

It is an innovative tool that maps the local available resources in order to increase their accessibility and visibility for the elderly and their social networks.

The NextDoor platform has been thought to benefit seniors, but it was designed to be used by any other users, such as neighbours, relatives, as well as by community workers and organizations who offer useful services or support for the elderly.

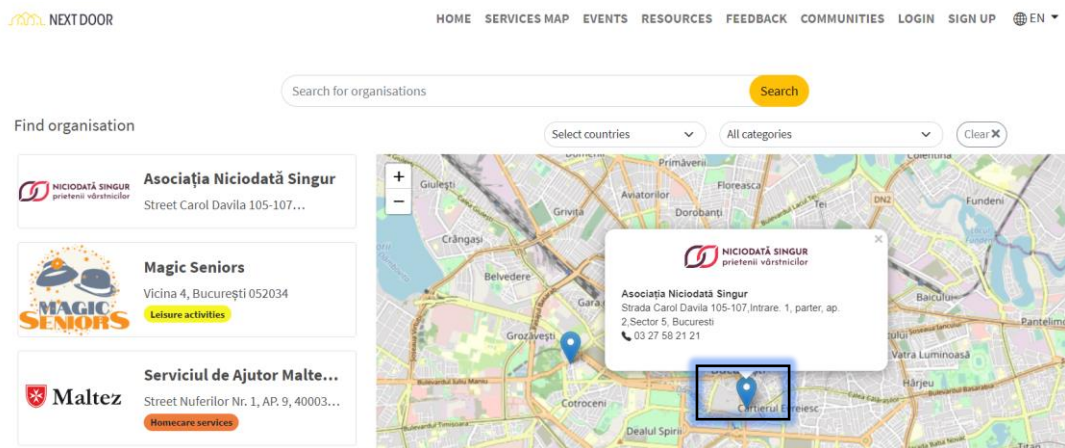

The platform is available in multiple languages: English, German, French, Spanish, Italian, Portuguese and Romanian. You can select the language in the upper-right corner of the platform.

SERVICES MAP

The screenshot shows the 'SERVICES MAP' section of the Next Door platform. At the top, there is a navigation menu with 'HOME', 'SERVICES MAP' (highlighted), 'EVENTS', 'RESOURCES', 'FEEDBACK', 'COMMUNITIES', 'LOGIN', 'SIGN UP', and 'EN'. Below the menu is a search bar with the text 'Search for organisations' and a 'Search' button. To the right of the search bar are dropdown menus for 'Select countries' and 'All categories', along with a 'Clear' button. On the left side, under 'Find organisation', there are four cards for different services: 'Asociația Niciodată Singur' (Homecare services), 'Magic Seniors' (Leisure activities), 'Serviciul de Ajutor Malte...' (Homecare services), and another 'Asociația Niciodată Singur' (Homecare services). On the right, a map of Bucharest is displayed, showing various districts and landmarks.

On this platform you will find relevant information on services available to older people in your local area, by going to the **Services Map** section. You can browse the map by moving it or type keywords in the search bar to find social services, volunteer organizations, homecare services, health services, leisure activities, delivery shops, pharmacies or more.

This screenshot is similar to the previous one, but it shows a pop-up window on the map. The pop-up window is for 'Asociația Niciodată Singur' and contains the following information: 'Strada Carol Davila 105-107, Intrare 1, parter, ap. 2, Sector 5, Bucuresti' and a phone number '03 27 58 21 21'. The map shows a blue pin on the location, and the pop-up window is overlaid on top of the map.

Clicking on a pin on the map will show you further details about the selected organization or service.

EVENTS

In the **Events** section, you will find about local activities or events dedicated to the elderly and supporting intergenerational connections. You can browse through the entries or use the search bar to find certain events using specific keywords. You are invited to attend or spread the word to seniors that could be interested in participating in these events.

RESOURCES

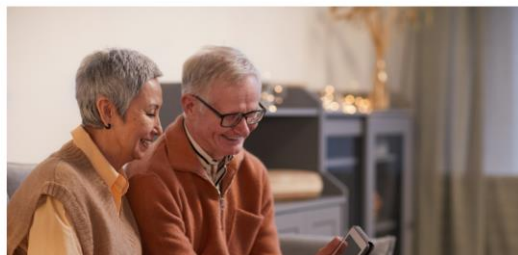

Resources

The **Resources** section: here you will have access to information dedicated to seniors, neighbours willing to offer their support, and organisations. You can read on topics such as how to promote connection with seniors in the local community, or how to stay active after retirement.

FEEDBACK

From User From Organisation

In the **Feedback** section you can offer your feedback regarding your experience with the platform by filling in a questionnaire. Don't forget to select whether you are filling in the questionnaire as a regular user of the platform or as an organization.

Visit the NextDoor platform to find out more and support the elders in your local community.

Point the phone camera to the QR code or use a QR code scanner app to open the link:
